Subject: Highway Resurfacing  
 Federal Project Number: NHPP-1879(400)  
 Project Number: 18794.00  
 Route 1

Dear Mr. Luttrell:

The Maine Department of Transportation is currently working on estimating a Mill & Fill Surface Highway Resurfacing on Route 1 in the Towns of Rockland and Rockport for advertisement of the subject project for competitive bids in March of 2019. Construction will occur during the summer and early fall months; exact start and completion dates will be forwarded once a schedule from the Contractor has been reviewed and approved.

The projects are further described as follows:

*Beginning at Maverick Street and extending northerly 0.87 of a mile to Rockland-Rockport town line. Mill and Fill and large culvert replacement.*

**After the new pavement is placed, no permit to open this segment of highway will be granted for a period of three (3) years except as provided in Title 23, M.R.S.A. §3352.** The purpose of this letter is to make the necessary notifications of the project to abutters, municipal officials and occupants of the highway under the provisions of 23 M.R.S.A. § 3351.

**We hereby request that you provide a copy of this notice to all municipal officials, employees and boards with responsibilities for utility and/or land-use planning/permitting, and that you post this letter on any municipal public bulletin boards, media outlets and/or municipal websites as public meeting will not be held regarding this project unless specifically requested by the municipality.**

**The Department would like to know if there are any events or known traffic generators that would impact this project.** Should you have any questions, concerns or other areas of interest, we would appreciate your comments and input. Please feel free to contact me at (207)-215-4051 with any questions or concerns.

Sincerely,

Douglas C. Coombs, P.L.S.  
 Senior Project Manager Highway Program, Region 2
