

FALL LEAF AND BRUSH PICK-UP 2018

Please help us provide you with the most efficient service we can. The City is being divided up into 4 zones. Each zone will be assigned one week dedicated to leaf and brush pick-up for the streets within that zone.

See the map and zone schedule below for your zone and designated pick-up week.

Pick-up times will be 7 AM to 3 PM daily for each designated zone.

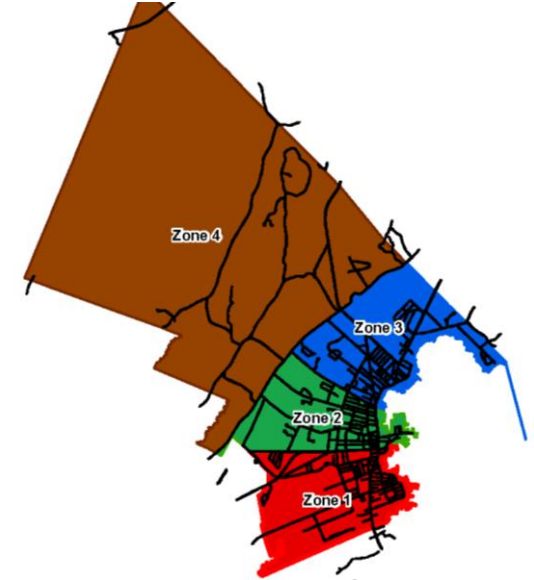

We are only picking up roadside piles of leaves and separate brush piles consisting of tree limbs and branches. Keeping the leaf piles and brush piles separate helps us to properly recycle the two items and makes the process more efficient. Leaf piles may be covered with a tarp to prevent them from blowing around, but please do not bag them.

Please place leaf and separate brush piles along the sidewalk or at the edge of your property with the brush arranged the same way as the sidewalk or road.

Please remember not to block the sidewalk.

If you have any questions, please call Rockland Public Services at 207-594-0320
